ALL GB (workbook) assignments are for the multiple choice questions. Check your answers! The answers are in the back of the workbook. **Turn in every GB assignments including the total number of questions correct at the top of the first page.*

Attendance is of utmost importance during the month of April. Excessive absences/tardies will result in extra mandatory assignments.

Review sessions after school are mandatory for students not on contract. A student is not on contract if they did not earn a "C" or better in all three quarters. Please see me for the review schedule.
