

The Bruce Petersen Mathematical Scholarship

Bruce Petersen was a respected and dedicated mathematics teacher at Cypress Bay High School. Mr. Petersen's passion and love for mathematics elevated all who entered his classroom. He devoted his career to inspiring students to master his beloved subject. This Scholarship, in memory of his name, is to benefit a student that shared Mr. Petersen's passion for excellence in mathematics.

Application Requirements for High School Seniors

Applicants must:

- a. Be a graduating senior;
- b. Be seeking a math related career in post-secondary studies;
- c. Have completed, or are currently enrolled in, at least one AP Math class;
- d. Have an un-weighted GPA over 3.0 for all math classes;
- e. Submit a 500-word essay. (Essay requirements below);
- f. Submit application on or before **3pm Friday, May 6, 2016** in room **430**.

Your 500-word essay should detail why you would be a worthy recipient of the *Bruce Petersen Scholarship Fund*. Describe your future career and elaborate on how you will use your math skills to honor the memory of Bruce Petersen and how you will inspire others to grow their love of mathematics.
