

Mrs. del Valle Class Rules and Procedures

Welcome to Algebra 2 Honors. I look forward to working with all of my students this year. I expect all my students to attend class regularly, be prepared for class, study and learn the material, and be respectful of the learning environment.

Preparation for class: All students should have a math notebook, (preferably a 3 ring binder with notebook paper and graph paper). An organized notebook is a starting point to success in the class. A TI-30XA calculator is required for this course.

Homework: Homework is assigned per section and will be collected. Most assignments are worth 2 points. In the event there is not written homework, studying and reviewing is highly recommended.

Quizzes and Tests: Quizzes are 20 - 40 points each and tests are 50 - 100 points. If a quiz is missed, the grade for the chapter test will be substituted, provided the absence is excused. There are no make up quizzes (with the exception of a school sponsored field trip). **A quiz grade may be dropped at the end of the nine weeks if the student has taken all of the quizzes and both tests on the scheduled quiz/test date (with the exception of field trips).**

All school and district rules will be enforced. This especially includes tardiness and electronic devices. Cheating will be handled as per administrative guidelines and will result in an automatic ZERO.

Grading Scale: The grading scale is the standard scale set by the Broward School Board (90 - 100 A, 87-89 B+, etc.). Students are responsible for keeping track of their own grades and monitoring their own progress so that they are not surprised at report card time.

Extra help: Please see me to make an appointment if you need any extra help..

Make-up policy: Students who miss school will be given two days for each day absent to make up their work. **If no new material was taught while the student was absent, the student will be required to take tests and quizzes the day they return.** If a quiz is missed, the chapter test for the chapter will be substituted.

Passes: Students are expected to use the restroom between classes. Only in an emergency will a student be issued a pass.
